Weiss Capital Management, Inc. Selected as One of “The Ten Most Dependable™” Wealth Managers of Florida

Palm Beach Gardens, FL, October 8, 2007: Weiss Capital Management, Inc. has been selected by Goldline Research as one of the “Ten Most Dependable™” Wealth Managers of Florida. The list of the ten most dependable wealth managers of Florida is published in the October 8, 2007 issue of *Forbes Magazine*.

When asked why she thought her firm was included on this elite list of money managers, Sharon A. Daniels, president of Weiss Capital Management, remarked that, “To be dependable in undependable times takes a lot of effort; so to be recognized for that is quite rewarding for our firm. At Weiss Capital Management, we have always strived to protect our clients’ wealth even as we work to grow it – whether market conditions are good or bad. What sets us apart, we believe, is that we are flexible realists. We’re neither bulls nor bears, but we recognize that investors need strategies designed to safeguard and to prosper during turbulent market conditions as well as favorable ones.”

Ryan Klufft, publisher of Goldline Research said that “We are pleased to have Weiss Capital Management on this list.” He also said, “They exceeded all of our industry criteria and had outstanding client references.” Over 3,200 wealth managers and financial planners were contacted regarding the list and the response was overwhelming.

Since the firm was founded in 1980, the experienced investment professionals of Weiss Capital Management, Inc. have been committed to the goal of growing and protecting our clients’ wealth through all market environments. As a fee-based SEC-registered investment adviser, we offer unique strategies suitable for individual investors, institutions, corporations, charitable foundations, pension plans and investment companies.
